

LOWER FLINT-CHLOCKONEE REGION

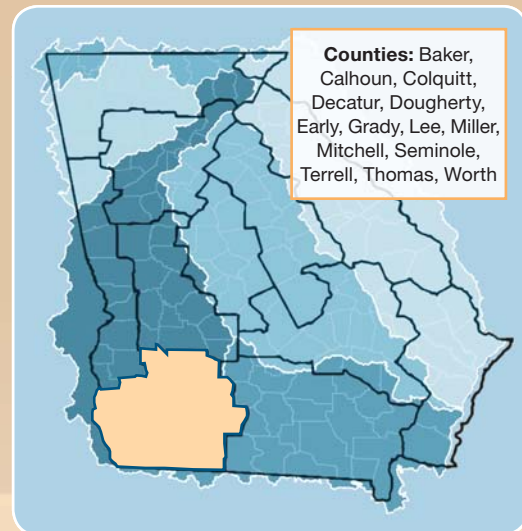

BACKGROUND

The 2004 Comprehensive State-wide Water Management Planning Act authorized the development of the State Water Plan. The State Water Plan, which was adopted by the General Assembly in 2008, calls for:

- the preparation of regional water plans;
- the establishment of ten regional water planning councils to prepare the plans; and,
- the Georgia Environmental Protection Division (EPD) with providing technical assistance to the councils including contractor support, guidance, resource assessments and forecasts.
